

Clarkson Values

Teamwork

Effective teamwork encourages creativity and self-initiative in our respective roles and partnerships. It is essential in getting the task done and in developing the skills needed to meet future challenges.

CARING

A positive and friendly atmosphere is created when we care about each other, when we are open to constructive criticism, and when we show appreciation for a job well done.

Honesty and accountability in one's actions and words form the foundation of our relationships with others.

INTEGRITY

VISION

Having a vision of what we want the future to be helps us prepare for it. Embracing the inevitable changes in our world as opportunities allows us to anticipate, promote, and facilitate change.

Diversity

The mutual appreciation of differences and a plurality of opinions, beliefs, and cultural traditions inform and enrich our lives.

GROWTH

Educational experiences in and out of the classroom enliven our minds, broaden our horizons, and facilitate dialogue and consensus. Learning is a lifelong activity.

Service

Offering our time and skills for the good of our fellow citizens leads to the prosperity of the community and to the character development of the individual.

"A workman that needeth not to be ashamed."

DILIGENCE

(The favorite Biblical phrase of University namesake Thomas S. Clarkson.) Initiative and hard work are key ingredients in getting the task done.
